- 5.6 demonstrates developing technical accomplishment and refinement in making artworks.

Task Information:

50 marks

1. In **groups** you are to plan and create a site specific artwork that reflects the ideology of either **Christo** OR **Goldsworthy**. This temporary artwork is to be **documented using photography**. It will be created in the school playground. You need to consider the **materials** and the **site** you wish to use.

Groups are to be a maximum of 3 people.

It will be marked at the site and your documentation will be marked also. This can be **in the form of a PowerPoint or Video** as well as **sketches and photos in your Visual Arts Diary, (VAD)** of your ideas, processes and the finished artwork.

2. You are to design your own **installation artwork** and create a **scaled down model** of this artwork in a cardboard box. Your installation artwork is **to be inspired by one of the 10 installation artists** we have studied in class (see table next page).

All **research and planning** for your installation model is to be documented in your **Visual Arts Diary (VAD)**. An **artist statement** is to be included describing the **concept and ideas** behind the artwork and the **materials** and **site** you would use if you were able to create this artwork in real life.
