

SCIENCE

Year 10 2022

Term 3 Topic Test Notification

Date: MONDAY 5th of September 2022

10R, 10Y, 10G, 10O – Period 2

10V, 10P, 10B, 10I – Period 3

Weighting: 15 %

Task information:

Topics to be tested:

- **Natural Events and Plate Tectonics**
- **Uniquely Human**

This task will be a skills test of the two topics that you have been studying this term – Uniquely Human and Natural Events and Plate Tectonics. It will test your ability to process information.

This assessment task will be in the form of an Online test. The test will be done on computer through Stile. You need to log on to Stile before the test to make sure you will be able to access the test. You must also know your school internet login name and password.

You can access Stile through the website below.

<https://stileapp.com/login>

Time allowed: 40 minutes

The test will be opened **5 minutes** after the start of the lesson. You need to be logged in and ready to commence. The test will be closed **40 minutes** after the starting time.

Absence:

If you are unable to be at school or online in your timetabled period on Monday 5th September you must notify your teacher in advance, so a suitable replacement time can be organised. You must have a note from a parent/guardian explaining your absence. A suitable time will then be organised for you to do the test.
