Each diary entry should be 350-450 words. Marks will be taken off if you write more than 500 words per entry.

You will need to do the following:

 - What is your daily routine? (Start with events that happened early in the day and end with events that took place in the evening)
 - What type of housing do you live in?

 - Informal: Use casual language.
 - Write in the first person.

- Content:
 - Significant events for the diary, such as a description of everyday life, an explanation of how you interact with other social groups and a comparison of your life with the lives of one other social group.
 - Personal response: how you are feeling? For example, hungry, angry and/or mistreated. You need to write with empathy, this means putting yourself in another person's shoes.

Explain: Name, give basic features and show how or why (cause/ effect or

consequences)

Task Requirements:

Submission Requirements:

- Clear and neat presentation is required in typed format.
- Answer all components IN YOUR OWN WORDS.
