Task Information:

You have been learning about the different types of communication and collaboration in the workplace and the significance it can have on worker morale. In this task, you will need to use this information to research the ways in which communication and collaboration about workplaces has a significant impact between the employee, employer, and other groups in Australian society.

This task has 3 parts:

Section 1 (15 marks)

Complete the Google Form of short answer questions related to our communication and collaboration topic.

Section 2 (10 marks)

Explain THREE causes of workplace disputes and the strategies used to resolve them. Provide AT LEAST ONE case study in your answer (500 words).

Section 3 (10 marks)

Create a visual representation (brochure, booklet, poster) for young people who are about to start their first job. In this you should provide information about their rights and responsibilities to their employer in the workplace. Pick ONLY THREE of the following options to research about: income rates, tax and superannuation, understanding contracts and payslips, workplace safety, discrimination, daily expectations (dress, punctuality, hours) and leave entitlements.

Note: All answers must be in your own words. Plagiarised tasks will receive a mark of zero.

IMPORTANT:

This task is part of your formal assessment for this subject. Tasks not completed on the due date will receive a zero. If you are sick on the due date you will have to provide appropriate documentation, such as a medical certificate, to support your appeal. This will need to be presented to your teacher.
