- History of the Earth
- Basic Chemistry
- Technologies old and new

➤ You can use the tick-summary sheets for each topic to help prepare. A copy of each of these is available in your Google classroom.

➤ The test will be held during the timetabled class time using the online platform Stile. If you know in advance that you will not be able to log on at that time, please contact your class teacher to organise an alternate time.

To do your best in the exam you should start revising now! You can access Stile through the website below. <https://stileapp.com/login>

**Time allowed:** 50 minutes

The test will be opened 5 minutes after the start of the lesson. You need to be logged in and ready to commence. The test will be closed 50 minutes after the starting time.

**Absence:**

If you are absent on the day of your exam, you must bring a note from a parent/guardian explaining your absence and report to Mrs Alexander (Head Teacher Science) on the day you return to school. A suitable time will then be organised for you to do the test.

**To do your best in the test it is best if you start revising your work now.**
