SPECIAL EDUCATION – 2021

GENERAL SCHOOL CONTRIBUTIONS

Dear Parent/Guardian

The General School Contribution for 2021 is \$80.00. It is anticipated that these funds will be used to purchase textbooks, homework diary, classroom resources and furnishings, library books, computer equipment, sport and physical education equipment and playground facilities.

The Extra Curricula Fee of \$45.00 contributes towards the cost of buses, entry fees and facilities hire for both the Swimming and Athletics Carnivals and Peer Support.

Additional costs are school materials contribution, which are listed in the table.

Our school seeks your support in contributing to the costs of some materials used or consumed by students in the course of their studies.

Thank you in anticipation of your support.

Diane Wilson
