

YEAR 9 – 2021 GENERAL SCHOOL CONTRIBUTION

Dear Parent/Guardian

The General School Contribution for Year 9 2021 is \$80.00. These funds will be used to purchase textbooks, homework diary, classroom resources and furnishings, library books, computer equipment, sport and physical education equipment and playground facilities.

Funds raised from the Textbook Levy of \$26.00 will be expended on upgrading textbooks and worksheets for students.

The Technology Levy of \$25.00 is to assist the school to purchase and make available computing equipment for all students to use in every classroom.

Thank you in anticipation of your support.

Diane Wilson
Principal

**Fees can be paid online via the school website -
select the 'Make a Payment' tab**
