Term 4 Week 3:

Thursday 21<sup>st</sup> October – 7B, 7Y, 7G, 7V, 7O

Friday 22<sup>nd</sup> October – 7I, 7R

Monday 25<sup>th</sup> October – 7P

**Weighting: 25%**

**Task information:**

- This is a test of all topics studied this year:
  - Science is. . .
  - Mixtures
  - Living Things
  - Astronomy
  - Australian Ecosystems
- You can use the tick-summary sheets for each topic to help prepare. A copy of each of these is available in your Google classroom.
- The test will be held during the timetabled class time using the online platform Moodle. If you know in advance that you will not be able to log on at that time, please contact your class teacher to organise an alternate time. You must also have practised logging on to Moodle before the day of the test; your teacher will show you how to do this before the test day.

**To do your best in the exam you should start revising now!**

**Absence:**

If you are absent on the day of the exam, you must provide a note from a parent/guardian explaining your absence and contact your Science teacher on the day you return to class. A suitable time will then be organised for you to do the exam.
