

SCIENCE

Year 10 2021

Term 4 Yearly Exam Notification

Date: Thursday 21st October

10SB, 10SI, 10SV, 10SP – period 1

Date: Friday 22nd October

10SR, 10SO, 10SY, 10SG – period 5

Weighting: 30%

Task information:

Topics to be tested:

- Natural Events and Plate Tectonics
- Uniquely Human
- Motion
- EMS
- Chemical Reactions
- Investigating Scientifically

➤ You can use the tick-summary sheets for each topic to help prepare. A copy of each of these is available in your Google classroom.

➤ The test will be held during the timetabled class time using the online platform Stile. If you know in advance that you will not be able to log on at that time, please contact your class teacher to organise an alternate time.

To do your best in the exam you should start revising now!

You can access Stile through the website below.

<https://stileapp.com/login>

Time allowed: 50 minutes

The test will be opened 5 minutes after the start of the lesson. You need to be logged in and ready to commence. The test will be closed 50 minutes after the starting time.

Absence:

If you are unable to be online in your timetabled period on Thursday the 21st or Friday the 22nd of October you must notify your teacher in advance, through your Google classroom class, so a suitable replacement time can be organised. If, on the day of the test, you find you are not able to be online you must have a note from a parent/guardian explaining your absence. A suitable time will then be organised for you to do the test.

To do your best in the test you should start revising your work now!
